

GERMAN SAILOR

The most seaworthy member of the NOMOS brand remains balanced on the taut line between decadence and durability. Water resistant to depths of 200 meters, the Ahoi Atlantik Datum makes for a robust maritime companion. The timepiece is a recipient of the German Brand Award, and is armed with Glashütte stopwork and NOMOS perlage to boast awardwinning sturdiness beneath its sophisticated face. A 40 mm stainless steel case with curved, anti-reflective sapphire crystal glass showcases the rich detailing of an Atlantic blue dial adorned with gold-plated hands and a green Super-Luminova inlay. A 40 mm stainless steel case with curved, anti-reflective sapphire crystal glass showcases the rich detailing of an Atlantic blue dial adorned with gold-plated hands and a green Super-Luminova inlay.

CLOCKWISE FROM TOP: Nomos Ahoi Atlantik Datum.
