# The Jackal

For Stylish Minds

## All hail the Prince

THE CROWNING ACHIEVEMENTS OF MATT SMITH

Scandal at the FA, embracing culture shame, the reinvention of news, David Baddiel wrestles with sausages, and *The Jackal's* guide to Christmas gifts

## NOMOS Glashütte

AT WORK: METRO

ROSEGOLD NEOMATIK 39

The German company's latest collection is called 'At Work' and designed for office life. The exception is this dressy, automatic Metro, a piece that marries the reductive quality of minimalism with the indulgence of rose gold.

## Chopard

L.U.C XPS

When pairing a watch with a dinner suit, a key consideration is always whether it will slip under a cuff. Chopard's new rose gold L.U.C XPS more than qualifies, coming in at just 7.2mm deep. Key to its thinness is the micro-rotor tucked into its in-house automatic movement, a device visible through the watch's case back.
