The NOMOS Advent Calendar

24 days of giving—with a new surprise each day

GLASHÜTTE, NOVEMBER 2018. The Advent Calendar from NOMOS Glashütte is a tradition in the making. Starting December 1, we will be holding our annual holiday giveaway—with gifts such as specialties from Glashütte that cannot be found in stores, things that NOMOS designers have created for other brands, exclusive getaways, watch accessories, and even timepieces. This roundup of gifts is designed to delight, and the total value tops that of previous years.

Everyone is welcome to participate, and not just once but 24 times in December. Winners will be selected at random and contacted shortly afterwards. From December 1, we will also be sharing links to our Advent Calendar every day on Instagram and Facebook. Or you can head straight to our website: [nomos-glashuette.com/advent-calendar](https://www.nomos-glashuette.com/advent-calendar).
